Createspace, United States, 2014. Paperback. Book Condition: New. large type edition. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This premium quality large print edition contains the complete and unabridged original classic version of The Sign of the Four, the second of only four original full-length mystery novels featuring Arthur Conan Doyle s consulting detective, printed on heavy, bright white 60# paper in a large 6 x9 format, with page headers and a fully laminated full-color cover featuring an original design. This volume, which has been freshly edited and typeset by human editors, not machine-scanned, contains the complete original text and corrects a number of typographical errors introduced in the many various editions published over the years. Additional material collected and presented for Conan Doyle fans, new or old, are a biographical sketch of the author and a detailed selected bibliography of his work. Set in 1888, the story opens with Holmes complaining to Watson about the boredom of a commonplace world in which nothing unusual ever happens anymore, when they are interrupted by the arrival of a visibly distressed young lady who relates a strange tale: once each year, she has received a valuable pearl from an unknown source. Having now received a message requesting that she meet her anonymous benefactor, she comes to consult with Holmes. Accompanying Miss Morstan to her appointment, Holmes and Watson are drawn into a complex plot involving the British East India Company, the Sepoy Mutiny of 1857, a murder, stolen treasure, and a secret pact between convicts. But the most immediate problem for Holmes is to track down a mysterious killer and the missing treasure in an adventure which proves to be anything but commonplace. First published in the February 1890 issue of Lippincott s Monthly Magazine...
