Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Can geeks save humanity from the coming flood? Possibly, in this new play! If you thought IT tech support was boring, take a look at what these guys get involved in! Norman, a schizophrenic, hears a voice that tells him he has to build a new genetic Ark to save the planet from the coming great flood. He struggles to get a grip on reality and regain his sanity, but he is told by sexy Jane that his hallucinations might be real. He hears voices, and is visited by Darwin and Einstein who are excited about our newest Internet gadgets, want to help him fight an evil TV evangelist, and refuse to leave him alone. On top of this, he is stuck working in the IT support department with his friend Gupta, who likes to spend his time watching porn and avoiding his parents in India. This is romantic comedy drama that is fast moving and features imaginative characters. It's about global warming, great floods, self appointed evangelists, interplanetary messages, and computer geeks, all mashed up into a great...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
