

The Land of Later on

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.
(Prof. Loyce Runolfsson Jr.)

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Kip a New York jazz pianist whose career was cut short by a neurological disease returns from a failed suicide attempt with a vivid, detailed memory of his journey through the afterlife. Resembling the world as he knows it, but unlimited in space and time, it's unlike any eternity he has contemplated. Its residents are those who choose not to reincarnate, which would erase all memory of who they once were. Kip has a quest: to find his beloved Lucy, a yoga teacher who shared his apartment for years but died of leukemia before he took his own life. Is she still here? Has she waited for him, or gone back to become someone else? In his odyssey across centuries and locales (Istanbul to the Marquesas Islands, India to Oklahoma and New Guinea) to find her, Kip is guided by Walt Whitman who urges him to write this memoir on his return. The Land of Later On is wonderfully enticing and deeply, achingly moving. The charm is the charm of those happy black-and-white movies of long ago with, for example, Claude Rains as an angel or the charm of Woody Allen's *Midnight in Paris*. The other well-earned relation is to Dante's *Divine Comedy* (in Mr. Weller's book, Walt Whitman, rather than Virgil, is the guide). It's not a contradiction of these comparisons to say that the whole book is the work of Mr. Weller's inventive and generous mind. What would any human want of an afterlife? To enjoy the surface of the earth. To know what others have cherished music, books, THINGS of all kinds to speak all human languages. Above all, to go on...
