SOLO DIBUJO (PAPERBACK)

Editores Villegas, Colombia, 2005. Paperback. Book Condition: New. 208 x 137 mm. Language: Spanish . Brand New Book. Throughout the history of art, drawing has always represented the most profound and true expression of artists visions, the final frontier to prove the depth of their talent. This book is an exploration of several of Colombia s most representative artists pencil work. In most cases, these sketches are the most basic yet crucial point of an artistic idea that is later completed in another medium--paint, marble, photography, or a computer. A lo largo de toda la historia del arte, el dibujo representa la expresion mas profunda y verdadera del artista, la frontera final para probar la profundidad de su talento. Este libro es una exploracion desde diferentes aproximaciones al trabajo de lapiz de varios de los artistas mas representativos del arte colombiano. En la mayoria de los casos los dibujos conservan el caracter de esbozo y punto mas elemental, pero crucial, de una gran idea artistica que sera completado en otra media--la pintura, el marmol, la fotografia, o el computador.
