SINGLE AND MAKING IT: A WOMANS GUIDE TO MAINTAINING HER CHRISTIAN MORALS WHILE WAITING FOR MISTER RIGHT

Authorhouse. Paperback. Book Condition: New. Paperback. 76 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. Single and making it. It means that youre handling all that life has sent your way. Youre not depressed; youre seeking God for all answers, and youre even careful of your choice of friends. As Christians, we should always depend on God for our strength and comfort. Basically, youre seeking the kingdom of God, and everything else is just falling into place. As Christians we want to live that total and acceptable life for Christ, but we dont know how. God intends for you to be single until he is ready to send you that soul mate. Stop focusing on the when, whys, and hows, and live for the now. We should take this same attitude about preparing ourselves for our soul mates. We should read the word on a daily basis, learn how to compromise, share, accept change, and even practice being submissive. If we do these things appropriately, we will be in a position to accept our precious gift and enjoy the rest of our lives together serving God. As Christians, we should never settle for less. Always do whats right by God, never sacrifice your Christian beliefs for no man, and always remember, God will never send an individual into your life that will...
